- News Reports Release

these days we have a lot of discussion about Jordan Shine. The first black and red version will be officially on sale tomorrow, and in the sale on the eve of third color Jordan Shine exposure on the network, the new version is no longer with a solid showing, but to create white gold. Don't know what this new color excels?

Jordan is the most classic shoes AJ 1 the new tactics, the upcoming Air Jordan 1 High Phat Premier of the red and blue version once again captured the consumers. The material with leather shoes, use plain to the overall effect seems more consistent. The design also uses a full version of the lines and highlights the collocation special visual effect is rare; the red shoes on the sort of neat triangles full visible lines, and can be seen above the blue diamond show. Even in the same family is also very sincere end of different patterns for people to try, stunning.
